# TRAVEL RISK

Terra Dotta's Travel Risk solutions help you meet your duty of care and reduce institutional risk and liability.

## Explore Our Solutions

### TRAVEL REGISTRY

- ▶ Organize traveler information with easily captured travel itineraries
- ▶ Mitigate institutional risk and drive compliance
- ▶ Streamline workflows and leverage data analytics to ease reporting requirements
- ▶ Includes AlertTraveler®

### ALERTTRAVELER®

- ▶ Utilize real-time country intelligence to manage critical events abroad
- ▶ Help ensure individual well-being with location-specific, personalized safety ratings
- ▶ Proactively alert travelers when an emergency may affect them
- ▶ Allow administrators to send check-in requests and verify traveler safety
- ▶ Allow travelers to request help in the event of an incident or injury
